FAITH

IN OUR FUTURE

O loving and generous God,
source of all life, holiness and goodness,
we thank you for the many gifts you give us
throughout our lifelong journey of faith.

With *faith* in our future,

we commit ourselves to the support of Catholic Education
and our own Lifelong Faith Formation.

With *hope* in the here and now,

we ask you to nourish us in your Spirit
so that we may be faithful stewards of your gifts.

With *love*, may the sacrifice of our joyful giving
be an outward sign of the true treasure we hold in Jesus.

O faithful God, keep us always mindful
of the good that can happen
when we allow you to work through us
as one family united in faith.

We entrust our prayer through the intercession
of Mary, the Immaculate Virgin Mother of God,
and St. John the Evangelist, patron of our archdiocese,
as we pray through Jesus Christ
who is the same yesterday, today and forever. Amen.

Message from Our Pastor

Dear Friends in Christ,

Would you like to be better informed?

I can still remember some of the first impressions I received some 5-½ years ago, when I visited with lots of different groups of parishioners and individuals. As I listened to many people, there was a common concern that we do a better job of communicating who we are as a Catholic parish and what we are all about.

I hope you might agree that lots of progress has been made in this area of parish life. I continue to receive a steady diet of positive feedback concerning the improvements found in the weekly parish bulletin, in our quarterly parish newsletters, with our parish Web site, etc.

If you haven't visited the **parish Web site** for some time, I would like to encourage you to look it up. I think you will be pleasantly surprised. The address is: www.stdominic.net.

In this article, I wish to suggest that you visit the pull down menu marked "**community**" and find the "**links**".

For your convenience, you will find a number of helpful links. I would like to mention just a few at this time.

You can be in contact with the Archdiocesan Web site and the Living our Faith initiative. You can be in contact with the official U. S. Catholic Bishops and the Vatican Web sites.

You will find suggested websites in the following categories: General – Adult, Families – Parenting, Children, Young Adult and Youth Ministry – Teens.

E-communications can and will play an increasingly significant role in effective communications as we journey into the future.

Please consider spending some time becoming more acquainted and at ease with enriching your faith and feeling better informed and more connected with our Catholic parish here at St Dominic and the larger Roman Catholic Church.

We have lots to be proud of and much more to be grateful for as a community of faith. Please let **Meg Picciolo, Director of Marketing Communication** or me know how effective you find any of our communication tools and efforts.

2010 Annual Archdiocesan Catholic Stewardship Appeal:

Next weekend, the **2010 Catholic Stewardship Appeal formally begins in our parish** as we join parishes throughout the Archdiocese of Milwaukee for this important annual campaign.

You may have already or will be receiving shortly a personal mailing from our Bishops introducing the appeal and personally inviting your participation.

As customary, we will hear a taped message from Archbishop. This year, we will have the opportunity of being addressed by **Archbishop Jerome Listecki** for the first time as he speaks about the importance of this annual appeal at all Masses. The participation of all parishioners is critical in order for our Archdiocese to continue the ministry of our Lord Jesus within the Catholic Church in this southeastern area of our state.

I am happy to announce that **Steve and Lynn Heitman** have agreed to once again serve as our **Parish Co-chairs for the 2010 campaign**. Steve and Lynn will introduce themselves during the announcement time of Mass in the near future.

I hope I can once again anticipate the cooperation of everyone in this annual appeal. The generosity of our parishioners over the years has been exemplary. With your help, may this be the case again in the upcoming campaign!

God bless you,
Father David H. Reith

P. S. Just a reminder, that starting next weekend, on Saturday, February 13, Catholic Knights will once again sponsor "Living our Faith" with Archbishop Jerome Listecki. The eight weekly episodes will air on WISN TV Channel 12 and on Time Warner Cable's Wisconsin on Demand Channel 411 at noon on Saturdays. The March 14 Sunday episode will air at 11:00 am. If you cannot watch the show at a particular time, you can view the videos on the Living our Faith Web site.

The author, Paul Salsini, will once again be joining us at our next book club gathering on **Tuesday, February 23, 2010, at 7:30 pm, in the Parish Center Meeting Room**. He will join us as we discuss, "**Sparrow's Revenge**," which is the sequel to his first book which we discussed at our last gathering. In *Sparrow's Revenge: A Novel of Postwar Tuscany, the Resistance fighter whose code name was Sparrow relentlessly pursues the collaborator of one of the worst Nazi atrocities in Italy during WWII. But in the treacherous and mysterious land of the Garfagnana, he discovers something he has long hidden within himself. Sparrow's Revenge is an unforgettable tale of revenge, retribution, guilt and, finally, forgiveness. The author, Paul Salsini, lives in Milwaukee, is a former editor and writing coach at The Milwaukee Journal, and teaches journalism at Marquette University. The book can be acquired through various local and online booksellers. For more information, contact Rich Harter.*

Cancer Patients—Lap Quilts

Dear Parishioners, I am a long time parishioner involved in a project making small lap quilts for cancer patients at St. Luke's Hospital. The quilts are made with donated, used nurse's scrubs. It takes approximately 5 hours to complete each quilt. The batting and backing fabric are an out-of-pocket expense. Anyone interested in helping me make quilts, or making a small donation toward the purchase of fabric may contact me at: Linda Brockman 262.227.3088 or mail a donation to: 13565 Courtland Avenue Brookfield, WI 53005. Your help is greatly appreciated.

Justice for Immigrants: Renewing Hope, Seeking Justice

Catholic Social Teaching supports five basic principles related to migration that allow families to reunite and stabilize, protect U.S. borders from real threats, and help reduce migration by promoting economic development in poorer countries. 1) People have the right to find opportunities in their homeland. 2) People have the right to migrate to support themselves and their families. 3) Sovereign nations have a right to control their borders. 4) Refugees and asylum seekers should be afforded protection. 5) The human rights and dignity of undocumented immigrants should be respected. To learn more, visit <http://www.justiceforimmigrants.org/parish-kit.html>.

Justice for Immigrants: Postcard Campaign at the Lenten Fair!

The U.S. Conference of Catholic Bishops (USCCB) has launched a postcard campaign to Congress in support of immigration reform. It is anticipated that immigration reform could be considered in 2010. Postcards will be available at the Lenten Fair. This is an important public policy issue which impacts individuals and families which attend St. Dominic's and we encourage you to participate in the campaign.

Who Created God?

No one created God - he has always existed. We can't understand this because everything that we know has a beginning or an end. Each day has a morning and night; basketball games have an opening tip-off and a final buzzer; people are born and they die. But God has no beginning or end. He always was and always will be.

Catholic Schools' Week

As we celebrated Catholic Schools' Week this last week, we'd like to share with you a statement about Catholic education entitled:

"Credo of Catholic School Education"

I believe that Catholic school education is:
A stepping stone to a better and faith-filled way of life

A preparation for young people to handle the challenges of this world in a Christ-like manner

Essential to the life of the Church-at-large

A gift to the Church and to the world

A spiritual lifeline in a complicated, challenging world

A way to educate the whole person for service in a world so desperately in need of kindness, compassion and "otherness"

An important opportunity for society to experience God's call—our vocation—our charisma

A privileged means of building community among students, faculty and parents

Vital to the future of the Catholic Church in training and empowering tomorrow's leaders to act justly, love tenderly, and walk humbly with God

A faith journey ... a hope journey...
a journey of love

Thank you for all you do to support our journey at St. Dominic School.
