

KINDNESS IN THE COMMUNITY

A kindness challenge for students and their families

- When:** January and February
Who: All students in grades K5-8th
Why: Service is a great way to show kindness!

What to do:

Students are invited to take part in a service project with their family. It can be something your family already does – such as giving donations or volunteering your time – or it can be a new project.

After completing the service project, each family should put together a small poster describing their project – what they did and who their project helped. Be creative and include some photos if you can. The posters will be displayed at school as they are completed.

Deadline: Posters can be brought to school anytime before March 1st.

For project ideas:

- ♥ www.doinggoodtogether.org
- ♥ <http://www.volunteerwaukesha.com>
- ♥ <http://volunteermilwaukee.com>
- ♥ or come up with an idea of your own ~ such as helping a friend, neighbor or relative.

This is not part of the new service program, just a great way for families to reinforce the importance of kindness through our service to others. Any questions, contact Ms. Weinfurter at x289.

Hope you have fun with this family project!

"Success has nothing to do with what you gain in life or accomplish for yourself.
It's what you do for others." ~unknown
