

## St. Dominic has joined the McDonald's Neighbors Program!

Save your McDonald's receipts any time you visit a McDonald's  
from the following counties:

Dodge, Jefferson, Kenosha, Milwaukee, Ozaukee, Racine, Sheboygan,  
Walworth, Washington, and Waukesha

Please bring the clean, undamaged receipts to school and turn them  
into your teacher or to the folder near the main office.

Receipts will be counted and submitted for points. All of the  
points we accumulate will be used for exciting educational games,  
equipment, or aides for St. Dominic School.

**PLEASE NOTE** that each receipt that is in mint condition will be  
counted as "one point." Encourage your family and neighbors to  
save their receipts, too!

Thank you so much for supporting St. Dominic through the  
McDonald's Neighbors Program!
